PROJECT EXPERIENCE

1. Project Name: Rentokil – KAM Vantage

- Client: Rentokil
- Role: GCP Developer

- Tools & Skills Used: Java, Spring boot, Google Cloud, React, PostgreSQL, Bitbucket, IntelliJ
- Project Summary: Rentokil – KAM Vantage application is exclusively for Key Account Managers to manage the Key Accounts. Surveyors who visit the customers at doorstep use the Vantage application to submit the customer profile, product and services details and proposed quotes. For the Key accounts, the quotes once submitted in Vantage will be sent to KAM Vantage application for the Key Account Manager's action. Data from Vantage and KAM Vantage are synced with iCABS which is the back-end Contract Management system of Rentokil. The data for the quotes displayed in KAM Vantage will flow from the Vantage application. The user of this application will be the Key Account Manager.

2. Project Name: Unilever – Kwery

- Client: Unilever
- Role: UI Developer

- Tools & Skills Used: Reactjs, Nextjs, JavaScript, Dot Net, GitHub, VsCode
- Project Summary: The project was to revamp or redesign a domain driven solution for business to extract product details from upstream, do the cosmetic content enrichments of the products such as product name, images, feature bullets and many more. Also make them ready to publish for retailers for ecommerce markets. Solution also offers user to do the product assortments, briefings, create specific templates with set of products along with a search excellence leveraging Gen A etc. Feature-wise it offers Role Based authorization with Azure AD Authentication (SSO), runtime spell checks, search suggestions, search analytics, keyword highlights and many more.
  This also generates extracts of different types such as excel, pdf etc. based on pre-defined business logic.

HOBBIES

- PLAYING
- READING
- TRAVELLING
- CODING

TOOLS & SOFTWARE

- INTELLIJ
- ECLIPSE
- SPRING TOOL SUITE
- VS CODE
- POSTMAN
- GOOGLE CLOUD SDK
- SOURCE TREE
- BITBUCKET
- GIT
- SONAR

TRAINNING PROJECT DETAIL

- Project Title: Pension Management System
- Os: Windows
- Tools: Java, MySQL, Spring Boot, Angular

ACADEMIC PROJECT DETAIL

- Project Title: Hospital Management System
- OS: Windows
- Tools: Java, MySQL, Java Swing

EDUCATION

BM GROUP OF INSTITUTION
B. Tech: Computer Science & Engineering
Percentage: 74
Batch: 2017-2021

NKSM COLLEGE MUZAFFARPUR
12th I.sc
Percentage:71
Batch:2015-2017

SHANTINIKETAN A BAL VID. MUZAFFARPUR
10th
CGPA: 10
Batch:2013-2014

I declare here that the above-mentioned information is true to my knowledge.
